## CAS Classes - SPRING 2021 --- Brief Description of Mode of Instruction (11/13/2020)

Most courses offered in CAS are listed with one of the five modalities:

**On-campus required, FLEX – classroom, FLEX – remote, REMOTE Synchronous, REMOTE Asynchronous.**

For each of these courses, a brief description of how the course will be conducted is provided in the table below.

Some courses, such as independent study, research, thesis, etc. are arranged individually between the student and instructor. These are not included in this list.

While we do not anticipate changes to the listed **MODALITY**, if a change is made, it will be evident in the official listing on BANNER; in these cases, students should contact the department or instructor for an update to the “Brief description”.

14911	MUS 084-011	Private Drumset Lessons	Class REMOTE ONLY	Remote Synchronous	Classes will be taught remote synchronously via zoom sessions. Students will be expected to attend classes each week.
14608	MUS 090-010	All About Songs	Class REMOTE ONLY	Remote Synchronous	Fully remote synchronous: Zoom class attendance mandatory; instructor regularly available for individual Zoom meetings by appointment. Possibility of remote recording of songs composed in the course.
14661	MUS 096-010	American Pop Music History	Class On-Campus Only	On-Campus Required	Students meet on-campus for two 75 minute lecture/discussion sessions each week. Students who are quarantined will be able to Zoom into class synchronously.
11645	MUS 129-010	Jazz History II	Class REMOTE ONLY	Remote Synchronous	Classes taught twice weekly live via Zoom.
14206	MUS 198-010	Music & the Creative Arts	Class REMOTE ONLY	Remote Synchronous	Class is scheduled for two 75 minute meetings per week. Half of the semester class meeting weeks will be held live via Zoom, with students expected to attend virtually as a group or in individual sessions. The course content for the remaining weeks will be delivered asynchronously in the form of recorded podcast lectures and other supporting content posted twice weekly on Course Site. Office hours will be available during all class meeting times.
14587	MUS 222-010	Conducting I	Class On-Campus Only	On-Campus Required	Students are expected to attend classes in-person each week.

14588	MUS 240-010	Choral Writing	Class REMOTE ONLY	Remote Synchronous	One 3-hour lecture per week will be live via Zoom with students expected to attend. Additional Zoom tutorials to work on individual pieces.
14216	MUS 253-011	Composition and Orchestration	Class REMOTE ONLY	Remote Synchronous	Fully remote synchronous: Zoom class attendance mandatory; instructor regularly available for individual Zoom meetings by appointment. Assignments submitted on Sibelius; remote recording of compositional exercises by human performers.
14561	MUS 262-010	Recording Techniq II	Class FLEX	FLEX - Classroom	One 3-hour class per week will be held on campus with students expected to attend. Some content may be delivered as pre-recorded lectures. Scheduled meetings will be available to students.
14976	MUS 262-011	Recording Techniq II	Class FLEX	FLEX - Remote	One 3-hour class per week will be live via Zoom with students expected to attend. Some content may be delivered as pre-recorded lectures. Scheduled meetings will be available to students.
14467	PHIL 002-010	Phil Questions	Class REMOTE ONLY	Remote Asynchronous	This course is remote asynchronous. There are no mandatory scheduled class meetings. There will be two pre-recorded lectures each week. There will be scheduled times to meet over zoom for any questions about the course as needed. Any one-on-one Office hours will be by appointment over zoom for confidentiality concerns.
12001	PHIL 004-010	Intro:Belief, Knowledge,Action	Class REMOTE ONLY	Remote Synchronous	Three synchronous meetings per week with attendance required. Office hours after class or by appointment.
14982	PHIL 096-012	Bioethics and Covid-19	Class REMOTE ONLY	Remote Synchronous	Two class sessions per week via synchronous Zoom during the scheduled class time, attendance required. Grades rely heavily on class participation.
12792	PHIL 100-010	Intro To Political Thought	Class REMOTE ONLY	Remote Synchronous	Two meetings of 75 mins each week by zoom. Attendance mandatory. Office hours each week.
14474	PHIL 114-010	Symbolic Logic	Class On-Campus Only	On-Campus Required	Two 75-minute, on-campus class meetings per week. Attendance is required. There will be regular, on-campus weekly office hours.
14481	PHIL 117-010	Race, Racism, and Philosophy	Class REMOTE ONLY	Remote Synchronous	Two one-hour lectures per week via live Zoom with students expected to attend. In addition, students will be expected to watch a half-hour of recorded material in preparation for class meetings.
14483	PHIL 131-010	Ancient Philosophy	Class REMOTE ONLY	Remote Synchronous	Two one-hour Zoom lectures per week. Attendance is expected. After each lecture, I will share some notes on course.site. Students will be able to have individual Zoom meetings with me on request.
14471	PHIL 135-011	Modern Philosophy	Class REMOTE ONLY	Remote Synchronous	Class will be fully remote, synchronous, twice a week with Zoom lectures. Attendance expected . Office hours available by appointment.

14472	PHIL 137-010	Nineteenth Century Philosophy	Class REMOTE ONLY	Remote Synchronous	Two one-hour lectures per week via live Zoom with students expected to attend. In addition, students will be expected to watch a half-hour of recorded material in preparation for class meetings.
14492	PHIL 140-010	Eastern Philosophy	Class REMOTE ONLY	Remote Synchronous	Class will be fully remote, synchronous, twice a week with Zoom lectures. Attendance expected. Office hours available by appointment.
14506	PHIL 141-010	Islamic Philosophy	Class On-Campus Only	On-Campus Required	Two 75-minute, on-campus class meetings per week. Attendance is required. There will be regular, on-campus weekly office hours. Also, every student will have to attend three, on-campus individual tutorials.
14470	PHIL 198-010	The Hidden God	Class REMOTE ONLY	Remote Synchronous	Two one-hour Zoom lectures per week. Attendance is expected. After each lecture, I will share some notes on course.site. Students will be able to have individual Zoom meetings with me on request.
12662	PHIL 220-010	Ways of Knowing	Class REMOTE ONLY	Remote Synchronous	Two synchronous class meetings per week via Zoom. Attendance expected. Optional drop in office hours available each week via Zoom.
14468	PHIL 221-010	Reflecting on Reality	Class REMOTE ONLY	Remote Synchronous	Two synchronous Zoom lectures per week, attendance expected. Additional asynchronous information may be available on course site.
14510	PHIL 301-010	Phil-Policy & Legal Design	Class REMOTE ONLY	Remote Synchronous	Two scheduled Zoom meetings per week (attendance required) with additional materials posted. Office hours via Zoom on appointment.

10631	PHY 369-010	Quantum Mechanics II	Class REMOTE ONLY	Remote Synchronous	Instruction will be online through Zoom. Participation in Zoom class meetings will be expected. We will also have a Slack channel for informal discussion, in which participation will be optional.
15136	PHY 369-011	Quantum Mechanics II	Class REMOTE ONLY	Remote Synchronous	Attendance is expected, but not mandatory. The classes will be synchronous via Zoom. Each class will also be recorded and posted on the class Slack channel. There will be office hours twice every week and also available by appointment.
12465	PHY 380-010	Intro to Computational Physics	Class REMOTE ONLY	Remote Synchronous	This course will be held remotely through zoom. There will be two classes per week, attendance in synchronous mode would be preferred, to enable in-class problem-solving. However it can be

					offered in asynchronous manner if needed. Lectures can be recorded upon request. A slack group will be established for office hours.
15153	PHY 395-010	Cosmology	Class REMOTE ONLY	Remote Synchronous	Classes will be held on Zoom and attendance is expected. Homework and exams will be administered using CourseSite. The instructor is always available via email and during weekly virtual office hours. In person meetings can be scheduled, if allowed by the guidelines of the University.
10376	PHY 421-010	Electricity & Magnetism I	Class REMOTE ONLY	Remote Synchronous	Three 50-min scheduled class meetings will occur each week. Attendance is required. The class meetings will be conducted remotely via Zoom. There will be online content delivered to the Course Site for all the lectures and additional notes. Video recording of lectures will be provided to students who cannot attend the lecture due to legitimate reasons. There will be scheduled at least two one-on-one zoom meetings with each student during the semester. Individual requests for additional one-on-one office hour meetings or group office hours will be arranged upon request.
10377	PHY 442-010	Statistical Mechanics	Class REMOTE ONLY	Remote Synchronous	Physics 442 will meet three times each week in remote sessions on Zoom. Detailed lecture notes will be distributed to individual students after individual lectures. There will be at least one written mid-term examination, two term-paper assignments and one final oral examination. There will be weekly homework assignments in addition. Personalized consultation will be available at any time of the week by appointment for a face-to-face session on Zoom.
10353	POLS 001-010	American Political System	Class FLEX	FLEX - Classroom	Students in this section will attend in person classes two times a week. Various online readings will be required and asynchronous online forum participation. Private meetings available via Zoom.
10354	POLS 001-011	American Political System	Class REMOTE ONLY	Remote Synchronous	Two one-hour and fifteen minute live Zoom lectures per week will take place over Zoom with students expected to attend synchronously. In addition, students will be expected to complete standard reading assignments in advance of class
12843	POLS 001-012	American Political System	Class REMOTE ONLY	Remote Synchronous	Students are expected to attend two 75 minute classes weekly via Zoom. Students will be expected to do one project in conjunction with several other students and around five papers throughout the semester.
15063	POLS 001-013	American Political System	Class FLEX	FLEX - Remote	Students in this section are required to meet synchronously via Zoom two times a week at the scheduled time. Various online readings will be required and asynchronous online forum participation. Private meetings available via Zoom.

10356	POLS 003-010	Comparative Politics	Class REMOTE ONLY	Remote Synchronous	Two seventy-five minute class meetings per week will be live (synchronous) on Zoom; students are required to attend. The instructor will schedule two office hours each week via live Zoom.
11842	POLS 100-010	Intro To Political Thought	Class REMOTE ONLY	Remote Synchronous	Two meetings of 75 minutes each week by zoom. Attendance mandatory. Office hours each week.
14713	POLS 106-010	Environmental Values & Ethics	Class REMOTE ONLY	Remote Synchronous	This is a remotely taught, synchronous course. Students are expected to attend both weekly class meetings via zoom. The professor will be available to meet with students individually during scheduled office hours or by appointment.
14811	POLS 107-010	Politics of The Environment	Class REMOTE ONLY	Remote Synchronous	All students will be expected to attend scheduled classes two times a week, via Zoom synchronously (and to participate in both whole class and breakout room sessions in most classes). Some classes might involve virtual participation in public meetings or webinars or additional asynchronous access to available online streamed resources, (e.g., virtual sessions offered by the Office of Sustainability on the Lehigh Sustainability Plan). All course materials, except classroom discussion, will be provided via Course Site links, to enable asynchronous course materials. Regularly scheduled office hours online via Zoom.
14814	POLS 109-010	Introduction To Public Policy	Class REMOTE ONLY	Remote Synchronous	This course will be a mix of synchronous and asynchronous activities. The precise mix will be determined by polling students at the beginning and middle of the semester. It will be an option for students in other time zones, especially international students. All synchronous activities will have asynchronous alternatives.
12656	POLS 110-010	Env Planning Healthy Cities	Class REMOTE ONLY	Remote Synchronous	This course is planned to be fully remote. Most weeks, the Wednesday session will be held synchronously while asynchronous recorded material will replace the Monday session. Students will be required to attend all synchronous meetings.
14816	POLS 195-010	The Politics of Ending Poverty	Class REMOTE ONLY	Remote Synchronous	Students should expect to attend synchronous remote meetings at the scheduled time twice a week. Some of those meetings will be lectures, some discussions, and some breakout group work and office hours. Some course material will be videos or readings that are assigned to be watched/read independently before class.
14817	POLS 307-010	Politics Mental Health Policy	Class REMOTE ONLY	Remote Synchronous	This course will be a mix of synchronous and asynchronous activities. The precise mix will be determined by polling students at the beginning and middle of the semester. It will be an option for students in other time zones, especially international students. All synchronous activities will have asynchronous alternatives.

13710	POLS 320-010	Food Justice in Urban Env.	Class REMOTE ONLY	Remote Synchronous	This course is planned to be fully remote. Most weeks, the Wednesday session will be held synchronously while asynchronous recorded material will replace the Monday session. Students will be required to attend all synchronous meetings.
14886	POLS 321-010	Research In Political Science	Class REMOTE ONLY	Remote Synchronous	Two one-hour and fifteen minute live lectures per week will take place over Zoom with students expected to attend. In addition, students will be expected to complete standard reading assignments in advance of class - as they would in any "normal" learning environment.
